

Cornerstone Christian School
PTI Meeting Minutes
September 13, 2018

Mr. Stowe opened us up in prayer

Financial Report:

- Current balance: \$2,304.84 as reported by Marsha Barton
- We help with many things throughout the school year including but not limited to fine arts, sports, kitchen equipment, vehicle maintenance, and school maintenance.

New Business:

- What would we like in the future?
 - A to do list can be established, and we can work on school improvement together.
- We need officers for this school year: President, Vice president, and treasurer positions are needed.
 - **Genea Suttons has offered to coordinate fundraisers for PTI.**
 - **Mrs. Riffe has volunteered for Vice President of PTI. Amy Parker has volunteered as Treasurer. Mary Travers will continue as Secretary.**
- In inventorying the uniforms it was determined there is a whole box of warm up shirts that can be bought and money reinvested into PTI for future needs. Solid black long sleeve dry fit with the C on the front. They are nice shirts but are not being used.
- There is a need for basketball uniforms in the near future. This does not have to be covered by PTI, but it is a sports need. The coaches are working on the prices of the uniforms.
- We need a concessions coordinator for the upcoming basketball season. PTI is in charge of concessions. We need someone to make the signup sheet and to remind volunteers when it is close to their work time. Basketball begins with the October 30th, Cougar Classic is November 2nd and 3rd. First game begins Friday at 1. We could bring in something for lunch and dinner hours if someone was willing to coordinate that effort. We also provide food for the hospitality room, nets for the winning team to cut down, the trophies for the event, and sell the t-shirts for the event. T-shirts will be pre-sale and we can discuss how many extra we want to purchase for sale.
 - **Amy Parker volunteered to be concessions coordinator.**
 - **Motion was made to allow for purchase of nets and trophies by Genea Sutton, and Paul Stowe seconded.**
- We also need a parent volunteer for teacher/staff appreciation. Appreciation week falls in April/May each week. Marsha has already had staff questionnaires filled out with likes and needs for the teachers.
 - **Courtney Chesser volunteered to coordinate teacher appreciation events.**
 - **Juli Lawson volunteered to help Courtney with this.**
- Any ideas or suggestions can be sent to Marsha at office@cornerstonemin.com

Old Business:

- There are sponsorships in the gym, and these are a fund-raiser to help pay for the air-conditioner in the gym. The sponsors do need to be approved. To be approved email or text Marsha the name of the business and the will quickly have it approved. Marsha is currently working on the form for sponsorship.

Important Dates:

No school Oct 4-5
Cougar Classic is Nov 2-3

Principal Report:

No one will be working alone, we need other people to take these spots and help. We have got to pay off the air conditioning now. PTI supplements everything.

Paul Stowe closed us in prayer.
